Applicants thank Examiner Boakye for the courtesies extended to Applicants' representative during the October 1, 2004 telephone conversation. During the telephone conversation, Examiner Boakye indicated the February 17, 2001 Information Disclosure Statement was still not present in the file wrapper, despite it being re-submitted on April 5, 2004. Examiner Boakye recommended re-submitting the February 17, 2001 Information Disclosure Statement along with the PTO-1449. Accordingly, Applicants enclose these documents along with the present Third Response After Notice of Allowance. Thus, Applicants request consideration of the February 17, 2001 Information Disclosure Statement and cited references.

Should the Examiner have any questions or comments, the Examiner is invited to contact Applicants' undersigned representative at the telephone number listed below.

The Commissioner is hereby authorized to deduct any fees arising as a result of this Response or any other communication from or to credit any overpayments to Deposit Account No. 50-2117. However, no fees should be due because the attached Information Disclosure Statement was timely received by the U.S. Patent and Trademark Office when the Application was filed.

Respectfully submitted,
